O R D E R

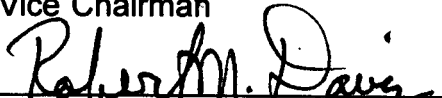

On April 15, 1996, Walter Callihan filed a formal complaint with the Commission against GTE South Incorporated ("GTE South"). The nature of the complaint appears to be a problem he had with an employee of GTE South at its office. It appearing to the Commission that, pursuant to the provisions of KRS Chapter 278, a hearing is not necessary in the public interest or for the protection of substantial rights in this matter and the Commission being otherwise sufficiently advised, it HEREBY ORDERS that this case is dismissed.

Done at Frankfort, Kentucky, this 30th day of July, 1996.
